

Dear all,

Last Monday we received the news that our industry will be returning to normal with the lifting of most restrictions and social distancing measures.

However, we understand that many individuals will want to ease their way out of restrictions at a different pace than others. Therefore, we kindly ask that everyone continues to respect and show care to each other. We will continue to show consideration to everyone no matter how they decide to navigate their way out of this pandemic.

I would like to make clear how we intend to keep our guests safe as well as ensuring a comfortable experience for everyone.

Firstly, I would like to remind everyone that mask wearing will be recommended for anyone who is not exempt, this includes our team as well as our guests.

Secondly, capacity in our bar area will likely increase, however, social distancing of 1m+ will still be adhered to wherever possible and ordering at the bar will now be allowed for all our guests.

Thirdly, we will continue to ensure hand sanitiser is available for our guests in all public areas and our team will continue to be reminded to wash their hands regularly.

Thank you for your support over the last 16 months and I look forward to welcoming you back with us very soon.

George Mellish

General Manager
